Welcome to Initiative4healthcare, your ultimate destination for comprehensive temporary employment services nationwide. Our experienced and reliable team includes Nurses, Healthcare Assistants, Carers, Support Workers, domestic personnel, and more. We take pride in our values, professionalism, and commitment to excellence in healthcare staffing. Whether for social companionship or complex healthcare, count on us for cost-effective, dependable solutions.

Our values

Our philosophy is to empower individuals through person-centered solutions, fostering independence with appropriate support and stimulation. We promote civil and human rights, celebrate individual differences, and uphold a culture of mutual respect between service users, clients, and staff. At Initiate4healthyliving, we prioritize dignity, high-quality staff recruitment, training, and development to enhance professional and care skills.

Why Us?

At Initiative4healthyliving, our team comprises seasoned healthcare experts, ensuring precise staff-client matches based on our profound insights into specific needs. With a vast network of skilled professionals, we deliver reliable, flexible, and experienced staff to support your clients effectively. Our stringent recruitment process guarantees professional and competent staff, backed by verifiable references and comprehensive screening, assessment, and training. Offering affordable solutions without compromising on quality, we present attractive packages for both employees and clients, making us the preferred choice in the industry. Experience our initial trial period with unbeatable rates that surpass most agencies.

Our Recruitment Standards

At Initiative4healthy living, we take pride in delivering the highest quality care staff. Our rigorous hiring process includes internal Quality Assurance Systems that continually improve to ensure compliance. Each candidate undergoes a face-to-face interview with our recruitment specialist, ensuring that only those with the right care experience, local knowledge, and awareness are selected. Our handpicked staff possess the necessary qualifications and experience, with many achieving QCF Level 2 or 3 certification.

Your Business is Our Business

At Initiative4healthy living, we leave no stone unturned to ensure the highest standard of candidates or employees. Our thorough screening process includes DBS, POCA, SOVA, work history, experience, and qualification checks, as well as reference and health declaration verifications. Continuous assessment of training needs guarantees a top-notch service. We proudly comply with The Care Act 2014, The Regulation of Care Act 2001 (Scotland), Department of Health Code of Practice of NHS Employers, and all NHS National Framework Guidelines.

Care Staffing Services

At Initiative4healthy living, we are a leading provider of comprehensive healthcare staffing solutions for care, residential and nursing homes, hospitals, and medical facilities.
